

# Kinzey

Kinzey came to Vilma Briggs in need of a new home at about five years old. He was fostered by Vilma in Mt Gilead, Ohio for about 5 1/2 months. Kinzey was a beautiful purebred BMD and Vilma found him to be

energetic, intelligent and healthy. He adored human companionship and had a great sense of humor, could be affectionate and loving. He had a great berner-lean technique and loved belly rubs. Kinzey was obedience trained by Vilma and walked nicely on a leash. He got along great with other dogs but came to Vilma with a bite history toward humans. Because of his history, families were carefully screened and he did find the "perfect home" for him through Thirddtyme Rescue.
