

Oscars Barcs At Millers

Patt Wiegand
BG# 39715

Oscar came to us at the end of 2001.

It is difficult to believe he will be six!

**He is a very sweet and quiet fellow whom
we are proud to know and love.**

**I miss our years of going to work together,
he sure educated a lot of folks about puppy mills!**

**He has the longest ear fuzzles I have
ever seen. He loves to roll on the ground
outdoors, no matter if it is warm grass,
hard gravel, or best of all, deep snow. He
never says "no" to food or affection.**

**Thank you Amy and all who work so hard
for BARC and these babies.**

**Mark and Patt Wiegand
Michigan**

**(Oscar continues to help Berners and education
by being entered in BernerGarde!)**
